

Kitsap Rowing Association
P.O. Box 232
Indianola, WA. 98342

ATTESTATION to SWIM ABILITIES

Purpose:

All rowers must be able to swim, tread water, or float in deep water while awaiting retrieval by the safety launch in the event of an emergency.

This attestation is specific to Kitsap Rowing Association. This swim attestation is valid for the current rowing year.

A rower may also choose to do a Float Test, for which they are observed by a certified Life Guard. Float Tests are transferable between clubs.

Attestation Statement to Rower's Swim Ability

I, _____, attest that I can swim, tread water or float in
(print name)
deep water for 10 minutes wearing long sleeve pants and a long sleeve shirt; and in
the final minute don a life vest while treading water.
